Dear Parents/Guardians:

In order to ensure the care, welfare, safety and security of our students, at all times, we need to know which students are allowed to leave school property at lunch time, and which students are not. **Only students in grades 7 and 8 will be allowed to leave the school property independently.** All students in all grades are always allowed to leave school property with parental supervision.

Students that will be staying at school for lunch will be expected to follow all lunch rules and lunch privileges may be withdrawn for failure to comply with these rules.

Since parents expect their children to be safe at the school including lunch time it is important that we have a clear indication of your wishes. Please check the appropriate section at the bottom of this letter which applies to your child and return it to the school so that our Lunch Supervisors and Staff have an updated list of students expected to stay on school property, and those who have parents' permission to leave.

We will continue to work together to make our school as safe and inviting as possible. Thank you for your support regarding this matter.

Respectfully,

Mrs. J. Agnew
Principal

Mr. R. Game
Vice Principal

Please check the appropriate spot, sign and return to the school by Friday, September 9th.
