

September 15, 2011

Dear Parents,

Our annual **Oakridge Outdoor Education Celebration**, for all students from Grades 1 to 8, is **Thursday, September 22nd from 9:00am to 3:00pm**. The Celebration is being held at Oakridge as our staff believes it promotes an appreciation of our beautiful outdoor classroom! In keeping with an environmentally friendly theme, students will need to bring a lunch and drinks all contained in reusable containers, bags etc.. Students are also encouraged to bring a labelled reusable water bottle.

The Celebration includes activities in Arts & Crafts, Drama, Coop Games, Orienteering and the very exciting Tug of War with Mr. Beaman! Students will be grouped with representation of all grades in each group. This organization promotes a sense of unity among our students and provides teachers with an opportunity to work with students from various classes. All staff will be participating in the Outdoor Education Celebration, therefore we won't be offering an alternate program at Oakridge.

Thank you to the Oakridge School Council who are providing apples for our morning snack!

Sincerely,

L. Ridley  
Outdoor Education Coordinator
