

Tuesday, September 8, 2009

Dear Parents,

Our annual **Oakridge Outdoor Education Celebration**, for students from Grades One to Eight, is on **Friday, September 11, 2009 from 9:00am to 2:30pm**. This Celebration is being held at Camp Wetaskiwin. All students will be bussed to the camp which is located on hwy 8. **The cost for students is \$5.00** which covers both transportation and craft supplies. Students will need to bring a lunch, drinks and a water bottle. Thank you to the School Council, who is providing us with apples for a morning snack!

The Celebration includes Arts & Crafts, Drama, Coop Games and Orienteering activities. Students will be grouped with representation of all grades in each group. This organization promotes a sense of unity among our students and provides teachers with an opportunity to work with students from various classes. All staff will be participating in the Outdoor Education Celebration, therefore we won't be offering an alternate program at Oakridge.

Please complete the permission form and return it to school by Thursday, September 10th.

Sincerely,

L. Ridley
Outdoor Education Coordinator
